NOTICE OF PUBLICATION FEE DUE

The above-identified application was filed (including as a Continued Prosecution Application) on or after November 29, 2000 and a non-publication request in compliance with 37 CFR 1.213 was not included with the application on filing. Since the application has been allowed, a publication fee is due.

The fee due is \$300.00. No small entity discount is available. See 37 CFR 1.18(d).

The reply to this notice should be mailed to Box ISSUE FEE, Commissioner for Patents, Washington D.C. 20231.

The publication fee must be submitted within THREE MONTHS from the mailing date of this notice or the application may be regarded as abandoned. No extensions of time under 37 CFR 1.136(a) or (b) are available. A reply must be filed to this notice, even if applicant does not anticipate that the application will be published (e.g., because the patent has issued and the projected publication date is more than a month after the issue date of the patent). A proper reply to this notice in such a situation would be a statement that no fee is now due, citing 37 CFR 1.211(e).

If publication of the application does not occur and applicant requests a refund, any publication fee paid will be refunded. See 37 CFR 1.211(e).

For further information about this notice, see the questions and answers posted at:

A copy of this notice should be returned with any reply.
